

Marshmallow Challenge

Kit Contents :

- 1 marshmallow
- 20 pieces dried spaghetti
- 1 meter of string
- 1 meter of sticky tape
- 1 pair of scissors

Reminder of the rules :

- Built **the tallest tower** possible only with the **kit provided**.
- The tower must be **self-supporting**.
- The **Marshmallow** must remain **whole** and be **at the top** of the tower.
- **Team work** and the **height of the tower** will be **taken into account** to select the winning team.

18 minutes to complete the challenge, no one minute more!
